**James L. Kiffe Memorial
Scholarship Application
For Aquinas High School Students
Grades 9-12
2019-2020 School Year**

This scholarship is made possible through the generosity of Mr. James Kiffe, Class of 1942. Mr. Kiffe was the only child of a single, working mother. He attended Aquinas High School through the generosity of other donors and he never forgot it. During his lifetime, Mr. Kiffe supported our schools, foundation, building campaigns, and scholarships. The Kiffe estate plan left \$6 million to the Aquinas Scholarship Fund to provide scholarships to Aquinas High School students and families with financial need.
